

Dr Rudi

Use in brewing:

Dual purpose hop. Works well where resinous, citrus and pine characters are required to build and develop an excellent finishing bitterness. Especially good as a dual purpose variety in single hopped beers as well as with multiple aroma varieties to create first rate new-world beer styles.

Substitutions:

No true substitute. Try Green Bullet or Citra®

Origin/History:

Bred by the New Zealand Horticultural Center and released in 1976

Agronomics:

Disease Free. Maturing mid season.

Storage:

Good.

Grassy, Lemongrass, Pine Needles

New Zealand

Alpha Acid	11-14%
Beta Acid	7-8.5%
